High level of protection in modern motorcycle and scooter engines

Description

Castrol Top! 2T is a premium quality, low smoke 2-stroke engine oil designed to provide a high level of protection in modern motorcycle and scooter engines.

Application

Its advanced formulation prevents high speed seizures and minimizes the formation of harmful high temperature combustion deposits that may occur when your engine is working hard, such as at high load on the open road or in dense city traffic.

Advantages

- Increased high temperature performance and protection
- Clean burning formulation
- Low visible exhaust smoke
- Designed for both oil injection and pre-mix systems up to 50:1
